

"CUSTOMS" COFFEE

Dear business colleagues, let's start the day together at the meeting with good coffee and breakfast. We would like to invite you to a "business brunch" on the opening of our law firm office in Košice, where we will briefly introduce ourselves and discuss the current topics related to "customs":

- self-taxation of VAT on imports,
- AEO,
- restrictions against Russia,
- proof of origin for iron and steel imports into European Union from 30.9.2023,
- carbon duty,
- current topics in the field of excise duty.
