

INVITATION TO NEWMATEC 2023 CONFERENCE

We would like to invite you to the automotive conference NEWMATEC 2023 organized by the Automotive Industry Association of the Slovak republic.

NEWMATEC 2023:

Main theme: **Current and future trends in the automotive industry and vehicles**

Conference venue: **Hotel Partizan - Tale, Slovakia**

Date: **April 25 & 26, 2023**

Topics:

- The current economic and geopolitical situation and its impact on the automotive industry and the industry as a whole
- New trends in automotive production and vehicles: megatrends – electromobility
- Decarbonization of transport and production

Get inspired by:

- Ivan Mikloš, economic expert, former Minister of Finance of the Slovak Republic
- Alexandr Vondra, member of the European Parliament, rapporteur for EURO 7
- Oliver Grünberg, chairman of the board, Volkswagen Slovakia
- Alexander Matušek, president, Automotive Industry Association of the Slovak Republic
- Robert Kiml, vice president for production, Toyota Motor Manufacturing Czech Republic and vice president, Automotive Industry Association of the Czech republic
- Marek Mora, Former deputy governor, Czech National Bank

The event will be hosted by Ivan Hodač, automotive expert and former ACEA Secretary General.
